0. The definitions of the terms provided by the GDPR

NSAPDP represents The National Supervisory Authority for Personal Data Processing, the Romanian independent public authority responsible for the compliance with the protection of personal data requirements;

Personal data represents any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person;

Processing represents any operation or set of operations which is performed on personal data or on sets of personal data, whether or not by automated means, such as collection, recording, organization, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction;

Restriction of processing represents the marking of stored personal data with the aim of limiting their processing in the future;

Controller represents the natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of personal data; where the purposes and means of such processing are determined by the European Union or Member State law, the controller or the specific criteria for its nomination may be provided for by Union or Member State law;

Processor represents a natural or legal person, public authority, agency or other body which processes personal data on behalf of the controller;

Recipient represents a natural or legal person, public authority, agency or another body, to which the personal data are disclosed, whether it is a third party or not. However, public authorities which may receive personal data in the framework of a particular inquiry in accordance with the European Union or Member State law shall not be regarded as recipients; the processing of those data by those public authorities shall be in compliance with the applicable data protection rules according to the purposes of the processing;

Third party a natural or legal person, public authority, agency or body other than the data subject, controller, processor and persons who, under the direct authority of the controller or processor, are authorized to process personal data;

Data Breach represents a breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to, personal data. This means that a breach is more than just losing personal data.

1. **Who is Leaders Tribe?**

Leaders Tribe is an international technology company acting worldwide. However, you need to know that the technical infrastructure and all data processes performed through this presentation website are performed only by our software development company LEADERS TRIBE SRL (hereinafter referred to as "**LT Development**").

Leaders Tribe observes the confidentiality and security of the personal data constantly ensuring that all personal data are processed only for specific, explicit and legal purposes, according with the principles and provisions of the GDPR.

2. **Where can you find us and how you can contact us**

With respect to any information regarding the personal data we process you can e-mail us at privacy@leaders-tribe.com.

3. **What personal data LT Development may process about you, how your personal data is processed by LT Development, the purpose, legal basis and the period of the processing**

Also, bear in mind that personal data is considered any data that could directly or indirectly identify you, as a person.

To easily identify the personal data we process, we have combined them in several categories according to the purpose of processing.

LT Development processes the users' personal data, as follows:

CATEGORY 1 – ENROLLMENT IN THE PRESALE PHASE OF LDTB TOKEN

Personal data – first name, last name, country of residence, e-mail address, phone number, financial status, other personal data that you may decide to share with us when you are filing out the 'Join PRESALE now';

The purpose of processing – the personal data is processed for the purpose of offering you the possibility to join the LDTB Token presale phase.

The legal Basis – art. 6 para. 1 letter a) of the GDPR, which allows us to process personal data when the data subject has given consent to the processing of his or her personal data for one or more specific purposes; and subsequently art. 6 para. 1 letter b) of GDPR, which allows us to process personal data when necessary for the performance of a contract or for the steps prior to its conclusion.

The collection method - directly from you, when you fill up the personal data we request through the online form 'Join PRESALE now' available on our website.

The retention period – as a rule we try to keep as less data as possible, and in this case, we are keeping your personal data as long as it is required by the applicable laws.

All data is maintained at least 1 year after you will submit the online form available on our website. After this term we will keep only the necessary data from the accounting perspective.

CATEGORY 2 – SOCIAL MEDIA PLATFORMS

Personal data – related to each user, such as: user’s social media accounts; any other information users decide to provide us with when they contact us on the social media platforms; any other information users decide to provide us with when they contact us by e-mail; comments and/or posts on our profiles;

Given that the internet is not a safe space, please do not send us or limit, as much as possible, the personal data communicated through social platforms or e-mail.

The purpose of processing – the personal data mentioned above is processed for customer support purposes.

The legal Basis: Art. 6 para. 1 letter b) of the GDPR Regulation, which allows us to process personal data when necessary, for the performance of a contract or for the steps prior to its conclusion.

The collection method – personal data are collected directly from users when they decide to contact us.

The retention period: personal data are stored for the purpose of proving the fulfilment of contractual obligations between the parties for a period between 30 days and 1 year, depending on the nature of the request (complaint, request for guarantee, contractual request, general request, etc.).

Generally, personal data is kept for a limited period according to the purpose of the processing and the legal provisions applicable to each category of data.

LT Development ensures the proper deletion of personal data when such processing is no longer necessary.

4. The disclosure of your personal to third parties

Throughout its normal course of business LT Development will not disclose or transfer, for direct marketing purposes, your personal data to third parties, regardless if such parties are located in Romania, in EU or outside EU.

Our employees
